Size (mm)	203x119x30	

A COST EFFECTIVE OPS SOLUTION

Performance meets Value – The 4th Generation Intel® Core™ i3 Processors provides more computing power than the previous generation of Celeron, has one of the lowest power consumptions in the class and is incredible value for money.

Flexible Working – Its unique architecture supports a wide range of different operating systems like Windows 7, 8, Windows 10 or even Linux to suit your way of working.

Intel 4K Graphics – Experience a remarkable 4K resolution, with faster frame rates and outstanding visual details for video playback thanks to the Intel® 5th generation integrated graphic chip.

Fully Embedded Solution – All the connectors are contained within the display including power and both video and audio signals so no external cables are required.

Quality Commitment – Built with industrial grade components you can be confident in the reliability of our product and so offer a 5 year warranty* on the OPS computer.

Economical – Utilise a higher performance level while consuming less power.

*This product has a 5 year warranty when purchased with the Interactive Touch Display with MeetingPad otherwise a 3 year warranty is applied..
